FOREWORD

This 1959 edition of the El-Hi-An has been published with but one objective: to capture a year between its covers. While we know that life at Elderton High School is a multitude of realities which are too intangible to be related in black and white, perhaps in some small way we can preserve the friendships which we all hold so dearly. If this book will serve to bridge the past and bring to mind the priceless memories of joy and pleasures of the year just gone, it will have served its purpose.

There are those without whose efforts this book would not have been possible. The staff would like to thank all of you.

With these thoughts, we proudly present to you, the students, your 1959 El-Hi-An.

ALMA MATER

Elderton, Oh Alma Mater,
Sing we now thy name to uphold.
Praise her name, and win her fame,
With hearts so strong and bold.

Elderton, our Alma Mater,
Gloriously we sing,
All Hail to thee with love and honor,
Evermore we'll cling.

ELDERTON JOINT HIGH SCHOOL

1959 EL-HI-AN

DEDICATION

We, the senior class, wish to dedicate this book, the 1959 El-Hi-An, to our parents. Words cannot express the gratitude we owe to you. Many times we have neglected to thank you when you praised us, guided us, and understood us during these years in high school. You have given us one of the greatest gifts of living—the opportunity of an education. From our teacher we have acquired knowledge, from our school we have made many friends, but from you, our parents, we have learned to live, to love, and to understand all that we have been given. You have been our friend, our teacher, and our ideal. What we are we owe to you. We are ready now to close this chapter of our life, and go into our many different directions. It is our wish that wherever we may go, whatever we may do, we may give to others the love, kindness and understanding you have given us.

SPEECH THERAPIST - MISS COPETAS

Miss Copetas, Armstrong County Speech Therapist, has been coming to our school for three winters. This year she spent each Monday morning helping students who have speech problems.

Miss Copetas is from Pittsburgh. She graduated from the University of Pittsburgh with both a Bachelor's and Master's degree. She worked in the Children's Hospital and the Industrial Home for Crippled Children. She then worked for three years with Dr. Earl R. Carlson, Cerebral Palsy Specialist, in New York and Florida. It was then that she came to Apollo to help organize a clinic for cerebral palsy.

Miss Copetas now lives in Apollo. She handles both the Apollo and Elderton districts. She visited ten schools a week and taught 300 students this winter.

She had 18 students in our school this winter, and in the three winters she has been here, she has had 60 students. Five students came to her of their own accord to ask for her help in solving their speech problems.

The smart green and white uniforms of the Senior Band are familiar sights at numerous firemen and community parades. Under the capable direction of Mr. Joseph Debsky, the band has won prizes at most of the parades they attended this past summer. This year the band is planning to appear in the Lions Parade in New York City, a great honor for us. The band gratefully receives the support given them by the Lions, Band Mothers, school board, administration, and townspeople in this and other projects.

The band held its annual concert on March 20th, featuring all types of music.

We were proud to have representatives at county, district, and state music festivals.

Monty Miller is drum major. Our officers are Mary Alice Schrecengost, president; Patti Rupp, vice-president; Charlesetta Miller, secretary-treasurer; Bill Rupp, librarian.

The Elderton Joint Junior High Band is made up of seventh, eighth, and ninth graders. Although some of these students appear with the senior marching band and concert band, they are a band in themselves. They prepare and present their own annual concert and other programs. The Junior Band performs standard junior band music which prepares its members for more advanced band work.

The officers are: Shirley Miller, President; Sue Fulmer, Vice-President; Bonnie Altman, Secretary-Treasurer; Vivian Rearick and Karol Kovacovsky are the librarians.

DANCE BAND

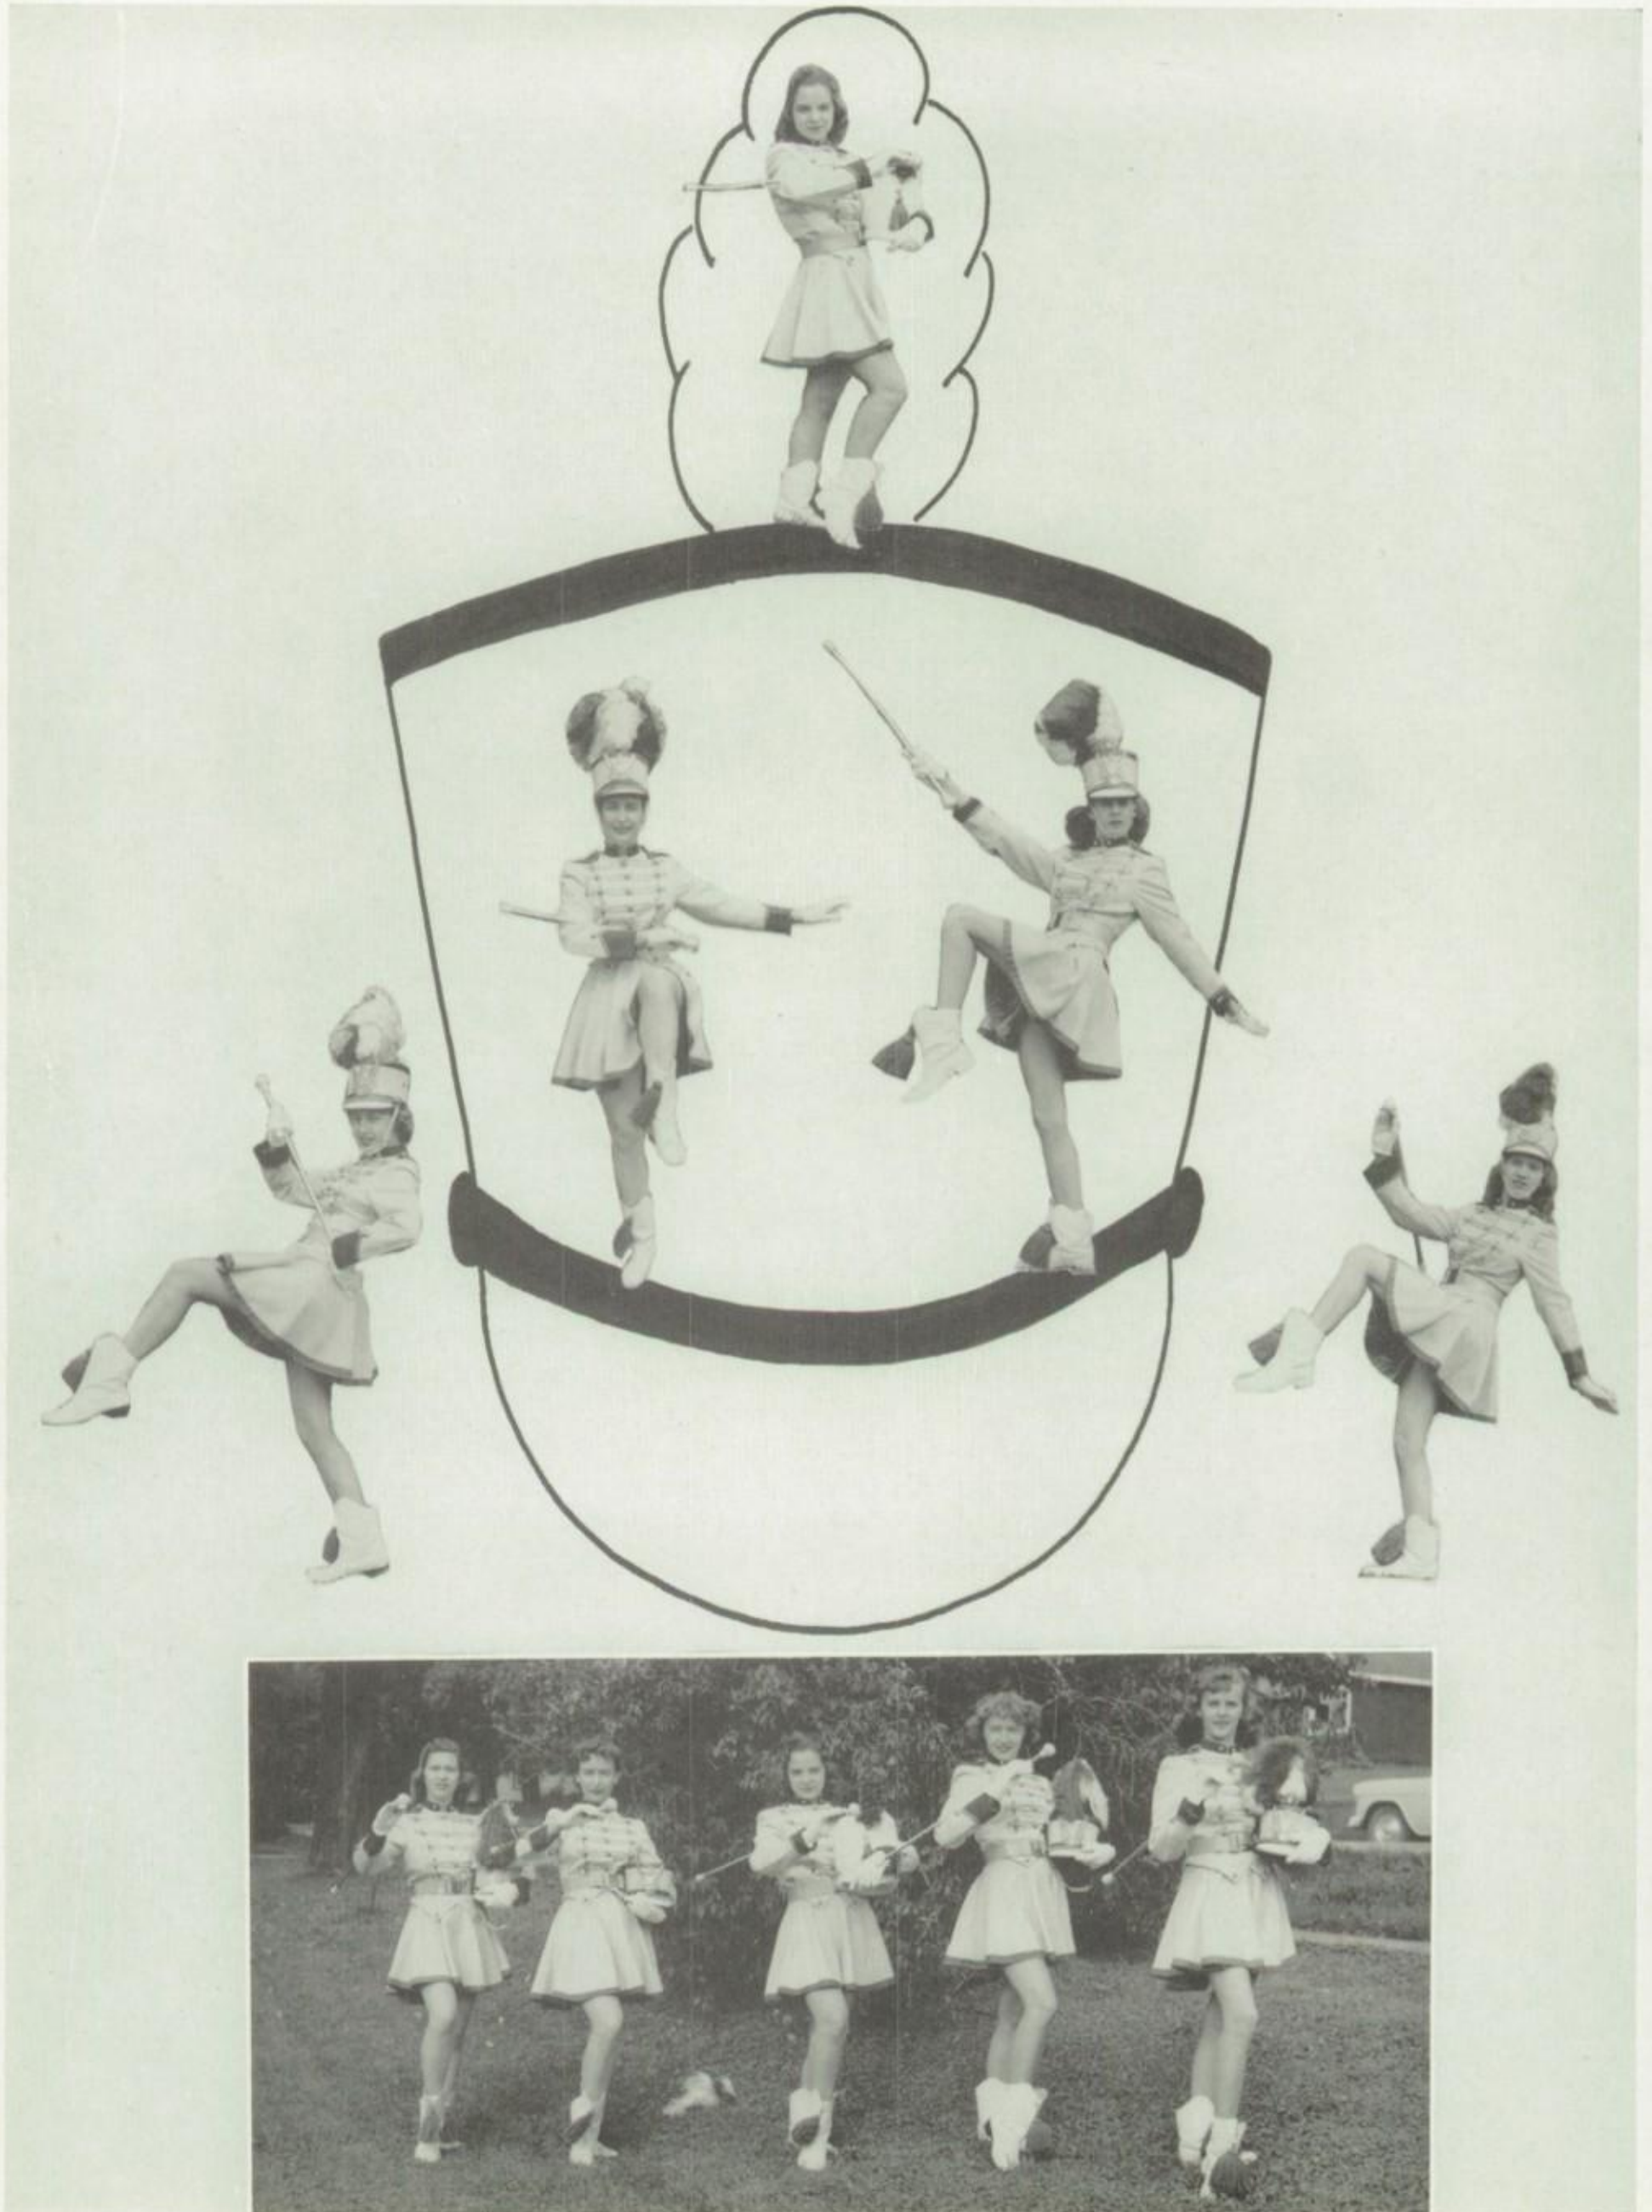

Back Row: Richard Gamble, Mern Williams, Bill Brown. Second Row: Mike Slease, Jud Kimmel, Loretta Thomas, Jayne Williams. First Row: Charlesetta Miller, Pete Hankey, Patti Bush, Margie Rearick.

The Elderton Joint High School Dance Band has become an important feature in the Elderton High School music program since it was organized by Mr. Debsky two years ago. Already it has appeared at school and community dances, service club programs, radio broadcasts and a dinner dance.

The dance band rehearses outside of regular school hours. Its membership is limited to the top students of the concert band and it serves as a supplementary musical activity for those students who have the time and ability to take advantage of it. Mr. Debsky thinks that the dance band provides an excellent means of improving musicianship, and it also provides additional musical experience for the most outstanding members of the concert band.

SENIOR TRI-HI-Y

The first Tri-Hi-Y Club was organized in 1930, as a unit of the State Y. M. C. A.

Tri-stands for the threefold purpose of the Y. M. C. A., Hi- exemplified by high school girls, and Y- affiliation with the Y. M. C. A.

The Tri-Hi-Y has many service projects such as giving Thanksgiving and Christmas baskets to needy families in the community, obtaining items for our school, and giving toys to orphan homes at Christmas. In order to carry on these projects, we sell Christmas cards and magazine subscriptions.

The Tri-Hi-Y gives each year to a worthy member of the club, \$100 to help finance her college education.

The Tri-Hi-Y code, very religious and inspiring, should be followed by everyone:

To build a better world, Ready I must be,
In the place where life doth find me,
Holding fast, yet pushing on into glorious ad-
venture,
You-and I-and God.
